“ I had a brief and memorable opportunity to work with Jill. No words can fill the void, but I do wish the entire family the strength and courage to overcome the tough time.

“ I will always remember my niece Jill as a lovely, positive person who never had a bad thing to say about anyone. I cherish the picture I have in my mind of her and her cousin Keli Jo as those Frintstones characters in the parade in Chillicothe when they were little people. God speed Jill. We'll meet you at he portal.

“ Jill Marie, oh the memories we have of sitting in our living room talking while listening to John Denver, you babysitting Jeff and John, your special day at Jobs Daughters that we got to participate in, and all our "family" meals after ballgames. Your life has been cut short but it's full of love and family . Love you, Larry and Charlie
